PROFESSIONAL EXPERIENCE

DEPI   **From May 2023 | To December 2023**
Digital Egypt Pioneers Initiative Student Under the supervision of the Ministry of Communications

- Team leading
- Task Distribution
- Organizing and following up on the schedule
- Collaboration with cross-functional teams to ideate and prototype innovative solutions

---

SUMMARY

Committed Computer Science student with solid experience in front-end development and growing expertise in back-end technologies. Skilled in building secure, responsive, and user-friendly web applications using React,Tailwind, node.js, express and mongoDB. Recently enhanced my back-end skills with Node.js and MongoDB, moving closer to becoming a full-stack developer. Eager to contribute to real-world projects and help create innovative digital solutions.
